Subject: Rating of your nursery by Assessment Team.

Sir,

At the outset, we appreciate your initiative for inviting Assessment Team for accreditation and rating of your nursery which was conducted on **12.10.2023** under the scheme of National Horticulture Board. After careful examination of various parameters laid down in the guidelines for rating of nurseries, we inform you that the Assessment Team has rated your nursery as **1 Star** for **Mango, Guava, Ber, Dragon** in the scale of single to three-star rating systems for a period of 2 years from the date of issue of certificate as follows: -

Sr. No.	Name of Horticulture Crops	Variety/Cultivars	No. of Mother plants.	Production Capacity per annum (No. of grafts etc.)
1.	Mango	Kesar	300	10000
2.	Guava	Thai VNR	1544	25000
		Janvi Red	4000	300000
3.	Ber	Apple Ber	200	1000
4.	Dragon Fruit	Red	4684	30000
		Yellow	924	10000
		White	1000	1000

Some suggestions given by the Assessment Team are here under for further improvement of your nursery.

Suggestions: -

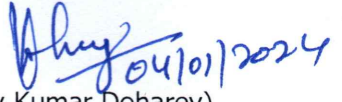

1. A soil sterilization unit should be developed along with media preparation unit.
2. The pruning and training of mango should be adopted for canopy management.
Central open system should be adopted.
3. Each and every mother plant should be labeled and numbered.

4. The root stock should be healthy and disease free.
5. The infrastructure should be properly utilized for efficient grass production.
6. Nutrient and plant production measures should be adopted.
7. Production and sale register should be maintained crop & variety wise.
8. Nursery records should be maintained systematically.
9. Nursery should stop raising of regrafted plants and should adopt grafting only on one-year-old root stock of mango.
10. Suggestion given by the expert committee on spot should be observed.

This is issued based on the recommendations of the assessment committee.

Thanking you,

Yours faithfully

(Dr. Vijay Kumar Doharey)
